### HILL'S COMMUNITY REWARDS PROGRAM

For more than 50 years, Hill's has actively supported our community and its many churches, schools, and organizations. We are able to do this as a result of our customers' patronage and loyalty. We want to put more of our resources toward those programs that you, our customers, deem worthy of our support. As a result, we have developed Hill's Community Rewards Program to distribute these funds.

Here's how it works:

- Enroll your organization with the agreement form.
- Let the members of your organization (church, school, sports, or any other community group) know about this program.
- Have them save their original sales receipts from Hill's retail purchases.
- Someone in your organization should collect these and submit them to Hill's quarterly.
- Within a month, your organization will receive either a Hill's Gift Certificate for 5% or a check for 3% of the pretax total.

The sales quarters are January-March, April-June, July-September, and October-December. All receipts for those periods must be in our hands no later than 30 days after the last day of the quarter. The receipts must be for purchases made within the quarter.

No construction or commercial accounts are eligible to participate in this program. Purchases may only be counted with one organization. This program will replace all previous programs for donations for advertising, gift certificates, and raffle merchandise.

Photocopies are unacceptable.

These may be turned in to the office manager at either store using the attached form.
